4. ☒ COMMENTS ON REASON FOR ALLOWANCE

The Applicant thanks the Office for providing reasons for allowance. However, the Applicant believes that the record as a whole amply supports the allowance of the claims and such further comments by the Office do not represent the full scope of the invention as defined in each of the claims. The Office recites certain elements of the claims as the reasons for allowance, and comments on prior references. Applicant wishes to ensure that such statements do not give rise to a presumption of acquiescence to those reasons, and the negative inferences that flow therefrom. Applicant believes that the allowed claims 1-10 and 12-22, including 3 independent claims are best interpreted in light of the record as a whole and not on the reasons presented in the Notice of Allowance.

Respectfully submitted,
